Leanne is a registered Social Worker who has a passion for working with families who have children with 'unique needs'. Leanne shares her experience and perspectives of raising a child with Asperger's Syndrome. The presentation examines the challenges, struggles, joy, growth and the eventual hope that she found.

Level I Activity: This activity presents an overview of experiences raising a child with Asperger's Syndrome, and would best meet the needs of families and/or professionals with little to no knowledge of, or experience with this topic.

This session is presented by the Community Education Service of the Child and Adolescent Addictions and Mental Health Portfolio (CAAMHP) of Alberta Health Services in partnership with [Calgary Quest School](#) and [Re-STORY-ing Family Services](#)
