Anxiety

Children and youth with anxiety frequently experience excessive worry, nervousness, and irrational fear making it difficult to enjoy life. Below is a list of resources that can be helpful in understanding those experiences as well as how to support those around you.

Freeing Your Child From Anxiety: Powerful, Practical Solutions to Overcome Your Child's Fears, Worries, and Phobias

Tamar E Chansky

A childhood anxiety disorder specialist examines all manifestations of childhood fears, and guides you through a proven program to help your child back to emotional safety.

Peaceful Piggy Meditation

Kerry Lee MacLean

Little piggies slow down and calm down thus making it easier to deal with whatever comes their way. This endearing book explains and teaches meditation techniques to children.

What To Do When You Worry Too Much

Dawn Huebner

Teaches school-age children cognitive-behavioural techniques to reduce and overcome anxiety, fears, and worry, through writing and drawing activities and self-help exercises and strategies.

Anxious Kids, Anxious Parents: 7 Ways to Stop the Worry Cycle and Raise Courageous and Independent Children

Reid Wilson and Linda Lyons

This book challenges our instincts about how to help fearful kids and offers a concrete plan with seven key principles and exercises to change the children's and the parental patterns of thinking and behaving.

Helping Your Anxious Child: A Step-By-Step Guide for Parents

Ronald M. Rapee

This guide offers proven effective skills based in cognitive behavioural therapy (CBT) to aid you in helping your child overcome intense fears and worries while parenting with compassion.

Playing with Anxiety: Casey's Guide for Teens and Kids

Reid Wilson and Linda Lyons

Casey knows all too well how worry can interrupt fun, ruin school, and take control of a family. Casey tells stories, offers exercises, and describes her "solving the puzzle" approach.

The Worried Child: Recognizing Anxiety in Children and Helping Them Heal

Paul Foxman

This guide presents various types and symptoms of anxiety disorders and provides detailed lists, skill exercises, sample dialogues, and case studies, including a chapter and tutorial written specifically for children.

Keys to Parenting Your Anxious Child

Katharina Manassis

This book describes anxiety-caused behaviour patterns and gives advice on how to help children cope with anxieties, including information on anxiety problems unique to youth.

Talking Back to OCD

John S. March

This guide puts kids and teens in charge of their OCD. Each chapter begins with a section that helps readers zero in on specific problems and develop skills they can use to tune out obsessions and resist compulsions.
