

## Info Rx

## Parents of Children or Teens with ASD

Autism spectrum disorders (ASD) is an umbrella term for developmental disorders that will impact a person their whole life. ASD affects each person differently and is characterized by difficulties with social interaction and communication, unusual and problematic behavior, and sensory processing difficulties.

**Borrow these books from the FCRC or check your local library!**

### **American Academy of Pediatrics Autism Spectrum Disorders: What Every Parent Needs to Know**

*Alan I. Rosenblatt and Paul S. Carbone*
