

**DEPARTMENT OF PAEDIATRICS
HEADSHIP CANDIDATE
DR. ANGELO MIKROGIANAKIS
GRAND ROUNDS
WEDNESDAY, JANUARY 17, 2018
0830-0930 HOURS
AUDITORIUM, ACH**

Connecting “C.A.R.E.” within the Department of Paediatrics and Beyond

Dr. Mikrogianakis is currently the Chief, Section of Paediatric Emergency Medicine at The Alberta Children’s Hospital. He is also the Co-Director of the Paediatric Critical Care Transport team. His academic and research interests include:

- CME in Paediatric Emergency Medicine
- Paediatric Concussion Clinical Care and research
- Paediatric Trauma Clinical Research
- Paediatric Clinical Practice Guidelines

Objectives:

- Describe my journey and perspective.
- Share a strategy to coordinate strengths in clinical care, advocacy & leadership, research, and education (“C.A.R.E.”) within the Department of Paediatrics.
- Present a future vision for our Department of Paediatrics.

This session is being offered by Telehealth (Videoconference). To register as a participant, and/or to request a Telehealth connection for your location:
Follow this link to the AHS “Calendar of Upcoming Videoconferences”: <https://vcscheduler.ca/ahs/>. On the calendar, scroll down and to the right of this event, click on “Click here to register as a participant”
Complete and submit the online registration and Telehealth location request. Help is also available at: CAL.telehealthscheduling@albertahealthservices.ca
