

# PAEDIATRIC GRAND ROUNDS

Alberta Children's Hospital

April 18, 2018 0830 ~ 0930h  
Kinsmen Learning Centre Auditorium on 4th Floor  
Alberta Children's Hospital

## Developmental Research in Calgary: Meaningful Progress Through Collaboration

**Dr. Kara Murias MD, PhD, FRCPC**  
**Neurodevelopmental Clinical Fellow**

### Objectives:

1. Review opportunities and barriers to collaboration in developmental research in Calgary.
2. Give local examples new models of research collaboration and recent advances.
3. Present new ways for clinicians and general practitioners to be involved in developmental research in Calgary.
