

PAEDIATRIC GRAND ROUNDS

Alberta Children's Hospital

March 20, 2019 0830 ~ 0930h

**Kinsmen Learning Centre Auditorium on 4th Floor
Alberta Children's Hospital**

Appendicitis: the Past, Present and Future

Dr. Andrea Lo

Clinical Assistant Professor of Surgery

Pediatric General Surgery

Alberta Children's Hospital

By the end of Pediatric Grand Rounds, the attendee will:

- have an understanding of the current challenges in the treatment of appendicitis**
- have an awareness of ACH participation in the APPY trial**
- acknowledge that the treatment options for appendicitis are expanding and in flux**
