

PAEDIATRIC GRAND ROUNDS

Alberta Children's Hospital

September 25, 2019

8:30 - 9:30 AM

Kinsmen Learning Centre Auditorium

4th Floor - Alberta Children's Hospital

In search of the value stream: Improving the value of clinical care in the PICU

Jonathan Gilleland, MD, FRCP(C)

Objectives:

1. To describe the concept of value and how it applies to a healthcare setting
2. To briefly describe key principles of a LEAN approach to quality improvement (8 wastes, 5S event, basic process mapping)
3. To present several real world uses of LEAN methodology to improve the value of care provided in and around a critical care environment
