Engaging Youth and their Families in Health Research

Maria J. Santana Marina Rosa Filezio Sarah Rabi
Farwa Naqvi Ingrid Nielsen

Objectives:

1. To learn about recent evidence on how to engage youth and their families in health research.
2. To share and discuss recent research projects that have engaged youth patients and their families.
3. To highlight resources and supports available from the Alberta SPOR SUPPORT Unit (AbSPORU) Patient Engagement Team for conducting patient-engaged research.
