Beyond the Form: Turning Periodic Reviews into Meaningful Leadership Conversations

Dr. Curtis Johnston

Associate Chief Medical Officer – Medical Leadership & Development, Alberta Health Services

Objectives:

1. Identify key preparation strategies that enable effective and meaningful periodic reviews and development conversations.
2. Apply approaches that transform review conversations from compliance-focused tasks into relationship-building and engagement opportunities.
3. Integrate discussions of professional development, wellbeing, and career aspirations into review conversations to support physician success and retention.
